INFLATION THREATENS FUTURE OF E/NEWS

The Evergreen News is without a printer. Since the origin of The E/News in 1970-71, Southwestern has been the primary source of the offset equipment and skilled personnel necessary for the actual printing process (running-off) of our neighborhood newspaper. Southwestern’s generosity has afforded our neighborhood the luxury of a quality newspaper at minimal expense. We are extremely grateful to Southwestern, and their print shop in particular, for their active support of The E/News as a community service for the residents of the VECA neighborhood for the past nine years. THANK YOU SOUTHWESTERN.

As of September 15th, Southwestern closed their print shop. The E/News was informed of this action in mid-August; and, in turn, notified VECA’s Executive Committee at their August 21st meeting. A complex series of events followed with The E/News staff and other individual VECA members combining efforts to enlist the services of a neighborhood church as sustaining printer. Believing approval for The E/News’ use of these printing facilities to be awaiting only the technicality of formal board approval, no other efforts were made to locate a printer. On October 9th, The E/News learned that (for now at least) this approval was denied.

The E/News staff immediately began seeking other solutions: checking with neighborhood residents, institutions, the VECA Executive Committee (October 16th) and individual VECA members. Mr. J. Fred Wimmer (1999 Mignon Ave.), a long-time E/News supporter, rescued The E/News for this (November) issue by agreeing to print the paper at a cost equivalent to past monthly expenses. THANK YOU WIMMER BROTHERS PRINTERS AND ESPECIALLY MR. FRED WIMMER.

However, long-term printing arrangements for the monthly publication of The E/News have not yet been obtained. The problem is money. Current monthly ad revenues are $168.00 and expenses average $150.00 for typesetting, negative work (done by B & M Printing Company — 871 S. Cooper — who have for a number of years given The E/News special rates — THANK YOU B & M PRINTING AND ESPECIALLY RONNIE MARTIN), 5,000 sheets of paper and — under the old system with Southwestern — $15.85 for masking the negatives, making the plate, and printing the paper.

Volunteers write articles, report news events, type copy, sell ads, do the layout work and deliver The E/News. Until now, The E/News has been financially self-sustaining. Current ad rates are $7 and $14 with most of our advertisers being neighborhood businesses, churches and schools. The last ad rate increase was in March of this year; and, although our advertisers have faithfully supported The E/News since 1970-71, the estimates acquired to date (October 18th) would require raising ad rates to at least $11 and $22 (totaling $108.00 more than present monthly revenues and the amount necessary to cover increased expenses) — a price beyond the budgets of many.

For nearly ten years, The E/News has served the residents of the VECA neighborhood. If you can help now, please call Ann D. Moore at 274-2163 or write your suggestions or comments to The E/News, 1467 Tutwiler Ave., 38107. Your cooperation is essential if we are to preserve this vital tradition of neighborhood communication.

HEIN PARK PICNIC

Each September, the Hein Park Garden Club throws a party and invites all 180 families in the neighborhood to attend. This is the annual “Family Picnic” where old and new residents, babies and octogenarians can meet, mingle, and get to know each other. Each cook in the family brings their specialty dish, and the food is bountiful and delicious.

There are usually games and entertainment for the youngsters while their elders chat and sometimes get community business done — such as selecting the leaders for their Civic Association. This was the case at the September 6th picnic (held in the huge backyard of the John McCleery home on Center Drive), when a slate of 15 directors were voted in — headed by the new President, Richard Eckels. Also John McCleery was elected Vice President, Nancy Prillaman, Secretary, and Bill Seabrook, Treasurer. The board is selected so that all corners of the Park are represented.

Hein Park has found this annual affair a very successful and pleasant way to keep the sense of community thriving in their neighborhood.

NEXT VECA MEETING

Monday, November 26th at 7:30 P.M., Lindsay Memorial Presbyterian Church. VECA T-shirts and bumper stickers will be available. Everyone welcome!
**ALLEY OOPS**

Is the alley behind your home overgrown with vegetation and cluttered with garbage? If so, it is unsightly, unsafe, unhealthy, and hurts your property value. What are your’s and the City’s duties? Here is some information that may help to correct your alley oops.

The City owns the alleys and is responsible for keeping them clear for sanitation and emergency vehicles. The City tries to clean all alleys once a year. Unfortunately, regular maintenance depends upon our own efforts. Call the Mayor’s Action Center at 528-2500 for weed cutting. They are always very busy so keep dialing over and over. If you care what gets hacked back or cut down, or to get it done quickly, you had better do it yourself. Police highly recommend keeping their view of your house from the alley unimpeded.

Owners and tenants are required to keep regulation garbage cans with water-tight lids within five feet of the alley. If inside a fence, they must be outside of the reach of dogs and there must be a gate at least 40 inches wide. Garbage is usually picked up on Mondays and Thursdays or Tuesdays and Fridays, depending upon where you live. If your neighbor’s garbage is strewn around the alley, ask him to prevent it from happening again. If it does, call the Health Dept. at 528-3856. If dogs are getting into your garbage, dog-proof your cans and call the Animal Shelter at 362-5310. Both of these agencies will keep your name confidential if requested.

Leaves, grass, and garden tree trimmings must be placed in disposable containers (plastic bags, cardboard boxes, etc.) on the front curb or alley edge. Trimmed too large for containers (but limbs must be less than five feet long and three inches in diameter) may be piled neatly on the front curb. In the Fall and Spring during special times, leaves will be vacuumed up if neatly piled on the front curb (not in alleys or gutters). Bulky materials (stoves, etc.) must be placed on the front curb. Regular curb pickup day is Wednesday.

Big limbs, rocks, concrete, dirt, lumber, remodeling wastes, and other building materials will not be picked up, but the City Sanitary Landfill may be used free for residential refuse. Refuse must not be placed in streets, alleys, gutters, or on sidewalks.

City Sanitation personnel may not enter houses to collect refuse and may not accept money or valuable gifts from persons served.

If you have a large quantity of refuse, call the City Beautiful Commission at 528-2718 for a truck to be parked at your house for a weekend and load it up with anything except wet garbage.

If your alley needs resurfacing, call the Public Works Dept. at 528-2722 or the Asphalt Plant at 528-2911.

For a street light to be placed behind your house, check with your neighbors first, because the light will shine in their windows, too. Then call 528-4421 (Lighting and Contracting Dept.). Installation can cost from zero (for the 175 watt light recommended for residential areas, if a pole and power supply are already present) up to around $280 for brighter lights. The two year lease calls for a monthly rental of from $3.75 to $10.75.

Be nice to the Sanitation workers, and they may do more than required, when you call any of the numbers listed in this article, be nice to the people you talk to and tell them you live in the VECA area. If you feel the service is then unreasonably slow, write the department involved a polite letter explaining the situation and send a copy to the Mayor.

Our alleys are part of our neighborhood, too, and their appearance means a lot to real estate agents and prospective neighbors looking over our area, and should to us, too.

McLEAN BAPTIST CHURCH

815 N. McLean Blvd.
WINTER WONDERLAND BAZAAR

The Women of Good Shepherd Episcopal Church, 1971 Jackson Avenue, have chosen Friday, November 9, for their WINTER WONDERLAND BAZAAR this year, with hours from 10:00 A.M. to 6:00 P.M.

Due to popular demand, they will repeat their Tea and Dessert Tasting Booth with available recipes. Also planned are a Holiday Boutique, Arts and Crafts, Bake Shop, Hand-Made Articles, Children's Booth, Garden Shop and their ever-popular Attic Treasure Booth — plus many more exciting happenings!

They will again serve their delicious Roast Turkey and Dressing Luncheon for $2.75 including drink, and their famous Sandwich Plate for $1.75. Home-Made Desserts will also be available.

Their Star Raffle Ticket ($1.00) is a 3-way Lucky Piece: 1st drawing is a $75.00 Money Tree; 2nd drawing, a beautifully furnished Doll House that will delight any little girl; and the 3rd chance on the ticket is a hand-crocheted Afghan. Tickets are available at the door and you do not have to be present to win! Also Door Prizes will be awarded all during the day.

Mrs. J. C. Hamby and Miss Mary Beth Jones are Bazaar Chairman and Co-Chairman. Mrs. Rosalind Sanders, President of the Episcopal Women of Good Shepherd, extends a very cordial invitation to all to come, bring your friends, have a delicious luncheon and Lady Luck may just smile on you!

NEIGHBORHOOD CONFERENCE

The Third Annual Neighborhood Conference will be held at Memphis State University in the University Center on Saturday, November 3. The full day conference will begin at 9:30 a.m. and feature workshops on the following topics:

1) The Neighborhood and City Hall: How Neighborhood Groups Can Gain Better Access to Public Officials and Local Bureaucracies;
2) Neighborhood Planning and Creative Zoning;
3) Housing Improvements and Neighborhood Initiatives;

Entitled “New Approaches to Neighborhood Revitalization”, the conference is sponsored by the Division of Housing and Community Development and several departments at Memphis State University. The objectives are to build a strong neighborhood network and provide a forum for the exchange of practical ideas for improving the quality of life at the neighborhood level. The conference and workshops are open to the public and are free of charge.
